Some Notes About This Schedule:

- Many academic models were reviewed during this planning process. State, County, and Local agencies were consulted. The above schedule was selected due to its ability to address both safety and academics needs. The above schedule allows us to:
 - provide more face-to-face time with students in the school setting.
 - provide our students the opportunity to receive all ELA and Math instruction from classroom teachers.
 - provide a consistent schedule to help families plan arrangements.
 - provide all speech, occupational therapy, or counseling to take place in the school setting.
 - provide special educational needs to students in the school setting.
 - provide equity for all students and families.
 - minimize the challenges of virtual learning / homeschooling for families (Zoom meetings across multiple grade levels, accessing multiple platforms, etc...).
- Custodial staff will clean and sanitize all chairs, desks, door knobs, railings, restrooms, etc... during the (70) minute break between groups.
- Specials (gym, art, music, technology) will be put on hold for the time being and revisited as the year progresses.
- Scheduling of students for the (AM and PM) sessions will be determined by - student bus riders, family groupings, and so on.
- Grade 5 - 6 students will remain in their homeroom during the academic period to minimize transitions. Students will not be rotating during the academic day.

Student Dismissal:

- Students will be dismissed in various locations to allow for social distancing and safety in and around the Roosevelt parking lot. Please see image below:
- Grade K students will be escorted by the classroom teacher to the front of the building (labeled K) and stay with students until parents pick them up.
- Grades 1-6 students that are car riders and 6th Street walkers will use the route labeled A to dismiss. We ask that parents not use the Tony Russo Lane parking stops during dismissal to help with student safety. Please use the stadium lot to park and wait for your child(ren).
- Grades 1-6 students that are 7th Street walkers will use the route labeled B.

The Place To Be!

If any family does not believe their child can begin on the blended learning model explained above, we ask that you contact Mr. Jones by August 1, 2020 to discuss possible options for your child.
