Section 1: Distance Learning Plan

The Board hereby amends its distance learning plan adopted on or about July 30, 2019 (“Plan”) as follows:

- (a) The Board directs each classroom teacher to develop a sufficient number of lessons for each course taught by the teacher during the 2019-2020 school year to cover any number of hours schools are closed as a result of the Building Closure Order and the Amended Building Closure Order, or any local board of health order, or any extension of such Orders. The teacher shall designate the order in which the lessons are to be posted on the Board’s web portal or website during the building closure.

 - (3) Each student enrolled in a course for which a lesson is posted on the portal or site shall be granted a two-week period from the date of posting to

complete the lesson. The student's classroom teacher shall grade the lesson in the same manner as other lessons. The student may receive an incomplete or failing grade if the lesson is not completed on time.

- (4) If a student does not have access to a computer at the student's residence, and blizzard bags are not available under Section 1(b) of this Plan, the student shall be permitted to work on the posted lessons at school after the school reopens. Students utilizing this option shall be granted a two-week period from the date of the reopening to complete the lessons. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided. The district will provide access to district computers before, during, or after the school day (provided the equipment is available and accessible at those times) or may provide a substantially similar paper lesson in order to complete the lessons.
- (b) In addition to posting classroom lessons online under Section 1(a) of this Plan, the Board may distribute "blizzard bags," which are paper copies of the lessons posted online.
 - (1) If a school opts to use blizzard bags, teachers shall prepare paper copies in conjunction with the lessons to be posted online and update the paper copies whenever the teacher updates the online lesson plans.
 - (2) The method of distribution of blizzard bags shall be as directed by the Superintendent or the Principal of the school utilizing blizzard bags.
 - (3) Students shall turn in completed lessons in accordance with Section 1(a)(3) of this Plan.
 - (c) If any provision of this distance learning Plan conflicts with an existing prior distance learning plan or existing Board Policy, this Plan shall control. The Board has obtained written consent for the Plan from the teachers' employee representative designated under R.C. 4117.04(B).
