

Local Use of Funds:

The McDonald Local School District will apply the ARP ESSER funds in a variety of methods:

- **Learning Loss-** McDonald Local Schools will offer in school intervention services for all students in grades K-12 through a learning loss instructor at both Roosevelt Elementary and McDonald High School. Summer School options and no cost credit recovery will also be available to students district wide.
- **Technology-** McDonald Local Schools will continue to upgrade technology and on-line learning platforms in the event of remote learning.
- **HVAC-** The district will repair and upgrade HVAC systems at both buildings to maintain high air quality circulation.
- **Employees-** The district will use ESEER funds to allow the continued employment of classified staff members.
