

McDONALD LOCAL SCHOOL DISTRICT STUDENT WELLNESS & SUCCESS FUNDING

	DESCRIPTION OF INITIATIVE	PAIRING ENTITIES	EXPECTED IMPACT
1	The District plans to have 2 full time employees of Alta Behavior Healthcare available for the entire school year, one in the elementary school and one in the high school. These individuals would provide additional mental health services to students.	The Trumbull County Educational Service Center and Alta Behavior Healthcare are the two entities that the School District is pairing with for each initiative listed in this table.	Decrease in student discipline referrals. Increased student attendance.
2	The District will enter into a shared services agreement with Maplewood Local Schools in order to employ a part-time Special Education Supervisor.		Shared professional learning. Stability within the supervisor position.
3	The District will pay the Trumbull County Educational Service Center for certain shared services, such as speech, occupational therapy, etc. that will be provided to students.		Accessibility to credentialed specialists for identified students with disabilities.
4	The District will employ a full-time nurse who will work a both the elementary school and high school.		Provide all students access to health screening.
5	The District will engage in services with ABA Therapy Group to provide behavioral services for elementary school students.		Specialized behavior plans to be used for disabled and non-disabled students.
6	The District will use Educere Virtual Education delivery courses as needed to help with learning loss and credit recovery.		Maintaining current graduation rates.
7	The District will provide an after-school tutoring program from February to April 2024, which will provide students with help in the areas of reading and math.		Improved academic performance in the classroom and on state assessments.
